# weddings

Congratulations on your wedding and thank you for thinking of Portsmouth Guildhall for your special day!

We can cater for intimate or large scale weddings with a variety of rooms to choose from.

Portsmouth Guildhall provides a majestic backdrop for your wedding pictures and memories. Whether you choose to spend all, or just part of your special day with us, you and your guests will enjoy and never forget the opulent surroundings of Portsmouth's premier wedding venue.

Portsmouth Guildhall is most famous today as the city's leading entertainment venue, but the history of this iconic building also shines a light on the antiquity of the whole city. Originally completed in 1890, the Guildhall fell victim to Second World War bombs in 1941, causing extensive damage to the back and interior of the building; however the front exterior remained undamaged. A building steeped in history; Portsmouth Guildhall proves to be a stunning backdrop for your special day.
